

## Sending your participants to the JLS

The Juliette Low Seminar (JLS) will be taking place from 14 – 20 Novembre. We are piloting a new approach to delivering international events that provides opportunities to a more diverse group of our members aged 18 – 32. As the JLS will be operating in all WAGGGS languages and in 20 locations in parallel we have secured additional funding to support more participants from Europe Region to participate. Funding will be allocated on a first come, first serve basis, however priority will be given to Member Organisations who have registered less than 4 participants so far. We are also seeking to provide Europe region participants with experiences outside of Europe, below is the current offer for your Association or Federation to enable you to send participants to the JLS. The programme fee is £600 which covers all activities, accommodation and food. Please note that travel is not included in the programme fee.

- 75% programme scholarship offered to participants who are attending a JLS hub outside of Europe.
- 25% programme scholarship offered to participants who are a JLS hub inside of Europe.
